

# Haywood Road Form-Based Code

Design Charrette Schedule  
September 14 – 18, 2013

Come be a part of the planning process for the Haywood Road Corridor! These five days are the most important part of developing a new type of zoning code for buildings on Haywood Road, and how they relate to the street and the neighborhoods directly behind the road. Public input will directly impact the draft code to be developed this fall, which come before Asheville City Council this winter.
